KAKATIYA MEDICAL COLLEGE WARANGAL

(1959-2019)

*Diamond Jubilee
Celebrations*

23-07-2018 to 23-07-2019

**The Pinnacle of the
Celebrations**

July 2019

Dear Alumni/ Faculty/ Guest

Kakatiya Medical College, a prestigious institute in the state of Telangana located in the historical city of Warangal is marching towards its 60th year of glorious existence from 23rd of July of 2018.

On this occasion it is our esteemed pleasure and pride to announce that we are conducting Diamond Jubilee Celebrations of Kakatiya Medical College from 23-07-2018 to 23-07-2019.

Kakatiya Medical College has made a humble beginning way back on 23rd July 1959 in a small building located in Waddepally under a private society. It was a great turning to this institution when it was taken over by the Government in 1977.

Since then it has evolved from an undergraduate to postgraduate institution now having 29 various specialities and super speciality departments spread over five allied hospitals i.e. MGMH, GMH, CKMH, REH and CD & TB Hospitals.

It has undoubtedly been a major contributor to the health care system of the state which is on the way of dreaming "AROGYA TELANGANA"- A dream project of Government of Telangana.

With an intake of 200 undergraduates and 157 postgraduates every year, this college has awarded degrees to thousands of doctors till date. In this 59 years of tremendous journey, the college has been successful in making an indelible mark on the health care system in the country and beyond. Its doctors have been instrumental in the major medical revolutions worldwide.

The principal, faculty, staff and students take the honor of inviting you all for the Diamond Jubilee Celebrations.

Release of DJC Flyer by our beloved DME
Dr. K. Ramesh Reddy garu

"SVASTHYA" - Medical Exhibition conducted in a grand way from December 8th to 15th 2018 inaugurated by Vice Chancellor of KNRUHS, Telangana
